AHEAD

At Winthrop, you'll belong to a community of learners who want you to succeed, both academically and personally. And learning doesn't stop once you leave the classroom. Your studies will lead you to hands-on research, internships, or international travel, making your years at Winthrop the most challenging and exciting time in your life! When you graduate, you will be confident and ready to serve as a leader in the world beyond campus- and that world will be a better place because you were part of the Winthrop community.

Get off to a great start by receiving credit for Cambridge International Advanced AS & A Level examinations. All exam results must be sent directly from the testing agency to Winthrop University for consideration. On the back, you can view a complete chart of possible credits*.
