

## COMMUNITY AND HEALTH SERVICES GUIDED PATHWAY

Earn a Medical Lab Technology Specialization (AAS. GT. HSMLT) and an Associate of Applied Science in Medical Laboratory Technology (AAS. MLT) from York Technical College and transfer to Winthrop University to earn your Bachelor of Professional Studies within a concentration in community and health services. The community and health services concentration provides an understanding of the U.S. healthcare system and covers topics like health care planning and marketing, personal and community health and health politics and policy. Career opportunities include practice manager, medical office supervisor, medical sales representative or an administrator in an assisted living or hospital facility.

11/24
