

## COMMUNITY AND HEALTH SERVICES GUIDED PATHWAY

Earn the Surgical Technology, General Technology Specialization (AAS. GT.HSSUR) and an Associate of Applied Science in Surgical Technology from York Technical College, and transfer to Winthrop University to earn your Bachelor of Professional Studies with a concentration in Community Health Services. The community and health services concentration provides an understanding of the U.S. healthcare system and covers topics like health care planning and marketing, personal and community health and health politics and policy. Career opportunities include practice manager, medical office supervisor, medical sales representative or an administrator in an assisted living or hospital facility.

11/24
