This is a suggested eight semester plan.

- 1 **Courses in BOLD** are only offered in the specified semester. Ex. CSCI 355 is only offered in the Fall.
- 2 For a list of **GENERAL EDUCATION** courses (Global Perspectives, Historical Perspectives, Humanities & Arts, Natural Science, Quantitative Reasoning, and Social Science) please view the course offerings page online or the Degree Checklist.
- 3 Courses satisfying **Constitution** may be shared among other General Education requirements. If you have already satisfied the requirement with a general education course you may take an elective in its place on the semester plan.
- 4 **ELECTIVES** are courses that do not meet specific degree requirements, but are needed to meet the graduation requirement of 120 hours. They can also be used to meet the required 40 hours above 299. Electives can include courses for an additional concentration or minor.

For a list of courses satisfying **AQS** and **HIP**, please view the course offerings page online or the Degree Checklist.
