S/U Grading Option Study

S/U Policy Highlights:

- Undergraduate students may elect to receive an S/U grade on a total of five courses throughout their entire undergraduate curriculum and are limited to electing no more than one S/U course per semester, *except in the case of first-time freshmen who may use two S/Us in their first semester.*
- An S/U grade will not be counted in computing the student's GPA; however, credit will only be given for courses for which an S grade is earned.
- Students must elect this option by the course withdrawal deadline.
